# OCT TO GUIDE AND OPTIMIZE PCI FOR IMPROVED CLINICAL OUTCOMES

## EUROPEAN OCT NETWORK 7th Edition

Clinical evidence with the main/recent studies, ESC Guidelines and ESC Consensus Document to support the use of OCT for the optimization of PCI outcome.

Systematic approach on OCT to guide the clinical practice.

- OCT image interpretation and OCT findings to guide procedure in clinical practice
- Utility of the angio co-registration and stent optimization software functionalities
- Discussion on treatment strategy to prevent stent failure
- Tips & tricks

**OCT didactic and challenges selected cases will be presented based on 3 main topics: OCT in ACS, OCT in Complex Patients & OCT in Stent Failure**

### DAY 1.- 3rd October

- 17:00 – 17:10 **Welcome and Introduction – Faculty Dr. Fernando Alfonso**
- 17:10 – 18:30 **Clinical evidence to support the use of OCT in clinical practice – Faculties Dr. Fernando Alfonso, Dra. Nieves Gonzalo y Dr. Giulio Guagliumi**
- 18:30 – 20:30 **Review Cases Session 1 Acute Coronary Syndrome – cases presented by Attendees**
- 20:30 **Closure of day 1 – Faculty Dr. Fernando Alfonso**
- 21:00 **Group dinner**

### DAY 2.- 4th October

- 09:00 – 09:10 **Introduction and conclusions from day 1 – Faculty Dr. Fernando Alfonso**
- 09:10 – 11:30 **Review Cases Session 2 Complex Patients – cases presented by Attendees**
- 11:30 – 12:00 **Coffee break**
- 12:00 – 14:30 **Review Cases Session 3 Stent Failure – cases presented by Attendees**
- 14:30 – 14:45 **Conclusions and end of the meeting – Faculty Dr. Fernando Alfonso**
- 14:45 – 15:30 **Lunch**
